(2) FOR approval of Proposal Number 2 to approve Amendment No. 7 to the Second Amended ValueVision International, Inc. 1990 Stock Option Plan, as amended from time to time (the "1990 Plan"), to increase the number of shares issuable thereunder from 3,250,000 to 4,250,000; and

If any other matters are properly presented at the Meeting for consideration, the persons named in the enclosed form of proxy and acting thereunder will have discretion to vote on such matters in accordance with their best judgment.

SOLICITATION OF PROXIES

The Company will bear the cost of preparing, assembling and mailing this Proxy Statement, the Annual Report and other material which may be sent to the shareholders of the Company in connection with this solicitation. Brokerage houses and other custodians, nominees and fiduciaries may be requested to forward soliciting material to the beneficial owners of shares, in which case they will be reimbursed by the Company for their expenses in doing so. Proxies are being solicited primarily by mail, but, in addition, officers and regular employees of the Company may solicit proxies personally, by telephone, by telegram, by facsimile, by electronic mail or by special letter.

RECORD DATE; SHARES ENTITLED TO VOTE; QUORUM

Only shareholders of record at the close of business on May 3, 2000 (the

"Record Date") will be entitled to vote at the Meeting or any adjournments thereof. As of the Record Date, there were 38,517,158 shares of Common Stock issued and outstanding and 350 record holders of Common Stock. In addition, as of the Record Date, there were 5,339,500 shares of Preferred Stock issued and outstanding, all of which were held by

GE Capital Equity Investments, Inc. ("GE Equity"). The holders of the Common Stock and the Preferred Stock will vote together as one class at the Meeting on Proposals 2 and 3, with the holders of the Preferred Stock voting on an "as converted" basis (meaning such shares will be entitled to 5,339,500 votes on Proposals 2 and 3). With respect to Proposal 1, the holders of the Preferred Stock, voting separately as a class, are entitled to elect two Directors to the Board of Directors and the holders of the Common Stock, voting separately as a class, are entitled to elect five Directors to the Board of Directors. The Common Stock and Preferred Stock are collectively referred to in this Proxy Statement as the "Voting Securities."

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Voting Securities entitled to vote at the Meeting will constitute a quorum for the combined class voting on Proposals 2 and 3. With respect to Proposal 1, the presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of (a) the Common Stock entitled to a separate class vote on five Directors at the Meeting will constitute a quorum for purposes of such class vote, and (b) the Preferred Stock entitled to a separate class vote on two Directors at the Meeting will constitute a quorum for purposes of such class vote.

VOTES REQUIRED; EFFECT OF ABSTENTIONS AND BROKER NON-VOTES

The affirmative vote of the holders of a majority of the outstanding shares of Voting Securities (voting as one class) present in person or by proxy and entitled to vote is required to approve, or ratify, as applicable, Proposals 2 and 3, provided that the total vote cast on each such Proposal represents at least 50% of all shares of the Voting Securities entitled to vote on each such Proposal.

With respect to Proposal 1, two Directors are to be elected by the holders of shares of Preferred Stock voting separately as a class and five Directors are to be elected by the holders of shares of Common Stock voting separately as a class. In each separate class vote, the Directors will be elected by the affirmative vote of the holders of a majority of the outstanding shares of Common Stock and Preferred Stock, as applicable, present in person or by proxy and entitled to vote, provided that the total vote cast represents, in each case, at least 50% of all of the shares of Common Stock and Preferred Stock entitled to vote.

A shareholder who abstains with respect to any Proposal is considered to be present and entitled to vote at the Meeting, and is in effect casting a negative vote. A shareholder who is not otherwise present and entitled to vote at the Meeting and who does not give authority to a proxy to vote on a Proposal shall not be considered present and entitled to vote on the Proposal. Accordingly, broker non-votes will not affect the outcome of the vote on a Proposal, provided that the total votes cast on such Proposal represent at least 50% of all shares entitled to vote thereon.

REVOCABILITY OF PROXIES

The presence at the Meeting of a shareholder of the Company will not revoke his or her proxy. However, a proxy may be revoked with respect to any matter at any time before the proxy is voted on such matter by delivering to an officer of the Company written notice of such revocation or a duly executed new proxy. Such written notice of revocation or duly executed new proxy will be effective upon filing with an officer of the Company, either prior to or at the Meeting; however, a revocation or new proxy will not affect a vote on any matter that was cast prior to such filing. All written notices of revocation and other communications with respect to the revocation of proxies should be delivered to ValueVision International, Inc., 6740 Shady Oak Road, Eden Prairie, Minnesota 55344-3433, Attention: Chief Financial Officer, or may be hand-delivered to an officer of the Company at the Meeting.

INFORMATION ABOUT THE BOARD AND ITS COMMITTEES

The business and affairs of the Company are managed by the Board of Directors, which held five meetings during Fiscal 2000. Committees established and maintained by the Board of Directors include the Audit Committee and the Compensation Committee. During Fiscal 2000, each Director attended 75% or more of the aggregate of the total number of meetings of the Board of Directors and total number of meetings held by all committees of the Board of Directors on which he served. Mr. Flannery was appointed a Director in July 1999 as one of the two representatives of the holders of Preferred Stock. In October 1999, Mr. Goldfarb resigned from the Board of Directors as the nominee of the holders of Preferred Stock and was simultaneously appointed as a Director on behalf of the holders of the Common Stock, while Mr. Begor was appointed as a Director on behalf of the holders of Preferred Stock. The Board of Directors has not established a standing nominating committee nor does any committee of the Board of Directors perform similar functions.

The Board of Directors will be considering a proposal to expand the membership of the Board of Directors from its current membership of seven members to ten members in the coming months. Expansion of the Board of Directors in this manner would permit the consideration of new candidates for the Board who may represent greater diversity and broader industry contacts. Under the Company's amended and restated Articles of Incorporation, any such expansion would currently require the consent of the holders of a majority of the outstanding shares of Preferred Stock. Any new members which are added to the Board of Directors subsequent to the Annual Meeting of Shareholders on June 13, 2000 would be elected by the existing Board of Directors to serve until the next following Annual Meeting of Shareholders, at which time their re-election would be subject to the vote of the shareholders of the Company.

The Audit Committee consisted of Messrs. Flannery (elected July 1999), Korkowski and Tosetti in Fiscal 2000. The Audit Committee held two meetings during Fiscal 2000. The Audit Committee recommends to the Board of Directors the engagement of the independent accountants, reviews the audit plan and results of the audit engagement, reviews the independence of the auditors, and reviews the adequacy of the Company's system of internal accounting controls. On April 10, 2000, the Board of Directors adopted a new Audit Committee Charter that complies with the new standards set forth in Securities and Exchange Commission regulations and the Nasdaq Stock Market's independent director and Audit Committee listing standards. These changes require, in part, that all companies listed on Nasdaq or that had applied for listing on Nasdaq prior to December 14, 1999, certify that they have adopted a formal written Audit Committee charter and will review and assess the adequacy of the charter on an annual basis by June 14, 2000. In addition, all of the companies must also certify that they comply, and will continue to comply, with the new Audit Committee structure and membership requirements set forth in such regulations and listing standards by June 14, 2001. The new Audit Committee Charter is attached to this Proxy Statement as Appendix A.

The Compensation Committee, which consisted of Messrs. Begor (elected in October 1999), Geller and Tosetti in Fiscal 2000, held three meetings during Fiscal 2000. The Compensation Committee reviews the Company's remuneration

policies and practices, and makes recommendations to the Board of Directors in connection with compensation matters concerning the Company.

7

DIRECTOR COMPENSATION

The Barnes Employment Agreement generally provides that Mr. Barnes may not compete against the Company for twelve months after his employment is terminated.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Decisions on compensation of the Company's executives generally have been made by the Compensation Committee. During Fiscal 2000, the Compensation Committee consisted of three non-employee Directors, Mark W. Begor, Paul D. Tosetti and Marshall S. Geller. Mr. Begor is an executive officer of NBC, the largest shareholder of the Company, and Mr. Tosetti is a partner at Latham & Watkins, a law firm that provides legal services to the Company. All decisions by the Compensation Committee relating to the compensation of the Company's executive officers are reviewed by the full Board of Directors. Pursuant to rules designed to enhance disclosure of the Company's policies toward executive compensation, set forth below is a report prepared by the Compensation Committee addressing the compensation policies for the Company and its subsidiaries for Fiscal 2000 as they affected the Company's executive officers.

The Compensation Committee's executive compensation policies are designed to provide competitive levels of compensation that integrate pay with the Company's annual objectives and long-term goals, reward above-average corporate performance, recognize individual initiative and achievements, and assist the Company in attracting and retaining qualified executives. Executive compensation is set at levels that the Compensation Committee believes to be consistent with others in the Company's industry.

The elements in the Company's executive compensation program, all determined by individual and corporate performance, are base salary compensation, annual incentive compensation, stock options and miscellaneous benefits and perquisites (consisting primarily of a car allowance and customary life and health benefits). Total compensation opportunities are generally competitive with those offered by employers of comparable size, growth and profitability in the Company's industry.

Base salary compensation is determined by the potential impact the individual has on the Company, the skills and experiences required by the job, and the performance and potential of the incumbent in the job. Annual incentive compensation for executives of the Company is based primarily on corporate operating results and revenue growth and the Company's positioning for future results, but also includes an overall assessment of executive management's performance, as well as market conditions. Awards of stock grants under the 1990 Plan and the Company's 1994 Executive Plan are designed to promote the identity of long-term interests between the Company's executives and its shareholders and assist in the retention of executives. The 1990 Plan also permits the granting of stock options to key personnel. Options become exercisable based upon criteria established by the Company. During Fiscal 2000, option grants were made to the following executive officers of the Company: options to acquire 100,000 shares of Common Stock were granted to Mr. McCaffery; options to acquire 550,000 shares of Common Stock were granted to Mr. Goldfarb; options to acquire 225,000 shares of Common Stock were granted to Mr. Jackel; options to acquire 200,000 shares of Common Stock were granted to Mr. Barnes; and options to acquire 175,000 shares of Common Stock were granted to Mr. Deacon.

The Compensation Committee surveys employee stock option programs of companies with similar capitalization to the Company prior to recommending the grant of options to purchase shares of Common Stock to executives. While the value realizable from exercisable options is dependent upon the extent to which the Company's performance is reflected in the market price of a share of Common Stock at any particular point in time, the decision as to whether such value will be realized in any particular year is determined by each individual executive and not by the Compensation Committee. Accordingly, when the Committee recommends that an option be granted to an executive, that recommendation does not take into account any gains realized that year by that executive as a result of his or her individual decision to exercise an option.

13

granted in a previous year. The Board believes that the option grants with deferred vesting to executive officers are important in retaining executive officers and providing them with incentives consistent with the shareholders' objectives for appreciation in the value of the Common Stock.

As of December 2, 1999, the Compensation Committee adjusted Mr. McCaffery's compensation structure by entering into an amended and restated employment agreement with Mr. McCaffery. Prior to this amendment and restatement, Mr. McCaffery's employment agreement provided for (i) a base salary of \$525,000 for the year ended January 31, 2000; (ii) a bonus up to 100% of the base salary, of which 72% was earned in Fiscal 2000, and (iii) the grant of options to purchase 800,000 shares of Common Stock, all of which were vested as of January 31, 2000. The Compensation Committee believes that the continued growth, expansion and profitability of the Company during Fiscal 2000 and the successful negotiation of a transaction with GE Equity and NBC were due in large part to Mr. McCaffery's efforts. Therefore, the McCaffery Employment Agreement includes a signing bonus of \$300,000, a base salary of \$750,000, a bonus salary of up to 100% of the base salary, a grant of fully vested options to purchase 100,000 shares of Common Stock in addition to his prior grant of 800,000 options, and a retention bonus of \$1,000,000 if employed through the March 2001 contract date,

as provided in the McCaffery Employment Agreement.

During 1993, the Internal Revenue Code of 1986 was amended to include Section 162(m) which denies a deduction to any publicly held corporation for compensation paid to any "covered employee" (which is defined as the Chief Executive Officer and the Company's other four most highly compensated officers, as of the end of a taxable year) to the extent that the compensation exceeds \$1,000,000 in any taxable year of the corporation beginning after 1993. Compensation which constitutes "performance based compensation" is excludable in applying the \$1,000,000 limit. It is the Company's policy to qualify compensation paid to its top executives for deductibility under Section 162(m) in order to maximize the Company's income tax deductions wherever, in the judgment of the Compensation Committee, to do so would be consistent with the objectives of the Company's compensation policies.

CERTAIN TRANSACTIONS

TRANSACTION INVOLVING MR. DEACON

On March 26, 1999, the Company loaned \$170,000 to Cary L. Deacon, an executive officer of the Company, pursuant to a demand promissory note. The promissory note bears interest at 5.5%. Although the promissory note was originally due on August 31, 1999, the Company has extended the due date until such time that the Company demands payment in full, including all accrued interest. The promissory note is secured by a second mortgage on certain real property owned by Mr. Deacon and his spouse. As of May 3, 2000, the aggregate amount of principal and accrued interest due to the Company by Mr. Deacon was approximately \$180,260 and represents the largest amount of indebtedness outstanding with respect to Mr. Deacon since the beginning of the Company's last fiscal year.

TRANSACTION INVOLVING MR. MCCAFFERY

Pursuant to the McCaffery Employment Agreement, Gene McCaffery, the President, Chief Executive Officer and Chairman of the Board of the Company has been granted a line of credit from the Company in the principal amount of \$5,000,000 to be secured by securities of the Company owned by Mr. McCaffery. The McCaffery Employment Agreement requires that the value of the securities of the Company pledged by Mr. McCaffery be equal to 150% of the aggregate amounts borrowed from the Company by Mr. McCaffery, such collateral to be adjusted on a quarterly basis. The interest to be paid by Mr. McCaffery on amounts withdrawn on the line of credit is equal to the minimum amount of interest allowable under Federal tax laws. As of May 19, 2000, Mr. McCaffery had not withdrawn any amount pursuant to such line of credit. A separate pledge agreement and promissory note from Mr. McCaffery to the Company will be entered into with respect to any amounts to be withdrawn pursuant to this line of credit.

TRANSACTION INVOLVING MR. TOSETTI

Paul D. Tosetti, a Director of the Company, is a partner at Latham & Watkins, a law firm that has provided legal services to the Company.

STRATEGIC ALLIANCE WITH GE EQUITY AND NBC

On March 8, 1999, the Company entered into a strategic alliance with NBC and GE Equity. Pursuant to the terms of the transaction, GE Equity acquired 5,339,500 shares of Preferred Stock, and NBC was issued a warrant (the "Distribution Warrant") to acquire 1,450,000 shares of Common Stock under a Distribution and Marketing Agreement discussed below. The Preferred Stock was sold by the Company for aggregate consideration of approximately \$44,265,000 (or approximately \$8.29 per share) and the Company will receive an additional approximately \$12.0 million upon exercise of the Distribution Warrant. In addition, the Company issued to GE Equity a warrant (the "Investment Warrant") to increase its potential aggregate equity stake (together with its affiliates, including NBC) to 39.9%. NBC also has the exclusive right to negotiate on behalf of the Company for the distribution of its television home shopping service. The shareholders of the Company approved the above-described transaction with GE Equity and NBC at a special meeting of shareholders of the Company held on June 2, 1999. The material agreements constituting this strategic alliance to which the Company is a party are described below.

Investment Agreement

Pursuant to the Investment Agreement between the Company and GE Equity dated March 8, 1999 (the "Investment Agreement"), the Company sold to GE Equity 5,339,500 shares of Preferred Stock for an aggregate of \$44,265,000. The Preferred Stock is convertible into an equal number of shares of Common Stock, subject to customary anti-dilution adjustments, has a mandatory redemption on the 10th anniversary of its issuance or upon a "change of control" at its stated value (\$8.29 per share), participates in dividends on the same basis as the Common Stock and has a liquidation preference over the Common Stock and any other junior securities. So long as NBC or GE Equity is entitled to designate a nominee to the Board of Directors (see discussion under "Shareholder Agreement"

separate class vote on the directors subject to nomination by NBC and GE Equity. During such period of time, such holders will not be entitled to vote in the election of any other Directors, but will be entitled to vote on all other matters put before shareholders of the Company. Consummation of the sale of 3,739,500 shares of the Preferred Stock was completed on April 15, 1999. Final consummation of the transaction regarding the sale of the remaining 1,600,000 Preferred Stock shares was completed at a special meeting of the Company's shareholders held on June 2, 1999.

Pursuant to the Investment Agreement, the Company also issued to GE Equity the Investment Warrant, which gave to GE Equity the right to acquire a number of shares of Common Stock that would result in the combined beneficial ownership by GE Equity and NBC of 39.9% of the Common Stock outstanding from time to time subject to certain limitations as set forth in the Investment Warrant. On July 6, 1999, GE Equity exercised the Investment Warrant, allowing it to acquire an additional 10,674,000 shares of the Company's Common Stock for an aggregate of \$178,370,000, or \$16.71 per share, representing the 45-day average closing price of the underlying Common Stock ending on the trading day prior to exercise.

Shareholder Agreement

Pursuant to the Investment Agreement, the Company and GE Equity entered into a Shareholder Agreement (the "Shareholder Agreement") which provides for certain corporate governance and standstill matters. The Shareholder Agreement (together with the Certificate of Designation of the Preferred Stock) provides that GE Equity and NBC are entitled to designate nominees for an aggregate of 2 out of 7 board seats so long as their aggregate beneficial ownership is at least equal to 50% of their initial beneficial ownership, and 1 out of 7 board seats so long as their aggregate beneficial ownership is at least 10% of the "adjusted outstanding shares of Common Stock". GE Equity and NBC have also agreed to vote their shares of Common Stock in favor of the Company's nominees to the Board of Directors in certain circumstances. John L. Flannery, Jr. and Mark W. Begor, Directors of the Company and currently nominees for election to the Board of Directors by the holders of the Preferred Stock, are employed by GE Equity and NBC, respectively.

All committees of the Board of Directors will include a proportional number of directors nominated by GE Equity and NBC. The Shareholder Agreement also requires the consent of GE Equity prior to the Company entering into any substantial agreements with certain restricted parties (broadcast networks and internet portals in certain limited circumstances, as defined), as well as taking any of the following actions: (i) issuance of more than 15% of the total voting shares of the Company in any 12-month period (25% in any 24-month period), (ii) payment of quarterly dividends in excess of 5% of the Company's market capitalization (or repurchases and redemption of Common Stock with certain exceptions), (iii) entry by the Company into any business not ancillary, complementary or reasonably related to the Company's current business, (iv) acquisitions (including investments and joint ventures) or dispositions exceeding the greater of \$35.0 million or 10% of the Company's total market capitalization, or (v) incurrence of debt exceeding the greater of \$40.0 million or 30% of the Company's total capitalization.

Pursuant to the Shareholder Agreement, so long as GE Equity and NBC have the right to name at least one nominee to the Board of Directors, the Company will provide them with certain monthly, quarterly and annual financial reports and budgets. In addition, the Company has agreed not to take actions which would cause the Company to be in breach of or default under any of its material contracts (or otherwise require a consent thereunder) as a result of acquisitions of the Common Stock by GE Equity or NBC. The Company is also prohibited from taking any action that would cause any ownership interest of certain FCC regulated entities from being attributable to GE Equity, NBC or their affiliates.

The Shareholder Agreement provides that during the Standstill Period (as defined in the Shareholder Agreement), and with certain limited exceptions, GE Equity and NBC shall be prohibited from: (i) any asset/business purchases from the Company in excess of 10% of the total fair market value of the Company's assets, (ii) increasing their beneficial ownership above 39.9% of the Company's shares, (iii) making or in any way participating in any solicitation of proxies, (iv) depositing any securities of the Company in a voting trust, (v) forming, joining, or in any way becoming a member of a 13D Group with respect to any voting securities of the Company, (vi) arranging any financing for, or providing any financing commitment specifically for, the

purchase of any voting securities of the Company, (vii) otherwise acting, whether alone or in concert with others, to seek to propose to the Company any tender or exchange offer, merger, business combination, restructuring, liquidation, recapitalization or similar transaction involving the Company, or nominating any person as a director of the Company who is not nominated by the then incumbent directors, or proposing any matter to be voted upon by the

shareholders of the Company. If during the Standstill Period any inquiry has been made regarding a "takeover transaction" or "change in control" which has not been rejected by the Board of Directors, or the Board of Directors pursues such a transaction, or engages in negotiations or provides information to a third party and the Board of Directors has not resolved to terminate such discussions, then GE Equity or NBC may propose to the Company a tender offer or business combination proposal.

In addition, unless GE Equity and NBC beneficially own less than 5% or more than 90% of the adjusted outstanding shares of Common Stock, GE Equity and NBC shall not sell, transfer or otherwise dispose of any securities of the Company except for transfers: (i) to certain affiliates who agree to be bound by the provisions of the Shareholder Agreement, (ii) which have been consented to by the Company, (iii) pursuant to a third party tender offer, provided that no shares of Common Stock may be transferred pursuant to this clause (iii) to the extent such shares were acquired upon exercise of the Investment Warrant on or after the date of commencement of such third party tender offer or the public announcement by the offeror thereof or that such offeror intends to commence such third party tender offer, (iv) pursuant to a merger, consolidation or reorganization to which the Company is a party, (v) in a bona fide public distribution or bona fide underwritten public offering, (vi) pursuant to Rule 144 of the Securities Act of 1933, as amended (the "Securities Act"), or (vii) in a private sale or pursuant to Rule 144A of the Securities Act; provided that, in the case of any transfer pursuant to clause (v) or (vii), such transfer does not result in, to the knowledge of the transferor after reasonable inquiry, any other person acquiring, after giving effect to such transfer, beneficial ownership, individually or in the aggregate with such person's affiliates, of more than 10% of the adjusted outstanding shares of the Common Stock.

The Standstill Period will terminate on the earliest to occur of (i) the 10 year anniversary of the Shareholder Agreement, (ii) the entering into by the Company of an agreement that would result in a "change in control" (subject to reinstatement), (iii) an actual "change in control," (iv) a third party tender offer (subject to reinstatement), and (v) six months after GE Equity and NBC can no longer designate any nominees to the Board of Directors. Following the expiration of the Standstill Period pursuant to clause (i) or (v) above (indefinitely in the case of clause (i) and two years in the case of clause (v)), GE Equity and NBC's beneficial ownership position may not exceed 39.9% of the Company on fully-diluted outstanding stock, except pursuant to issuance or exercise of any warrants or pursuant to a 100% tender offer for the Company.

Registration Rights Agreement

Pursuant to the Investment Agreement, the Company and GE Equity entered into a Registration Rights Agreement providing GE Equity, NBC and their affiliates and any transferees and assigns, an aggregate of four demand registrations and unlimited piggyback registration rights.

Distribution and Marketing Agreement

NBC and the Company have entered into a Distribution and Marketing Agreement dated March 8, 1999 (the "Distribution Agreement") which provides that NBC shall have the exclusive right to negotiate on behalf of the Company for the distribution of its home shopping television programming service. The agreement has a 10-year term and NBC has committed to delivering an additional 10 million full-time equivalent ("FTE") subscribers over the first 42 months of the term. In compensation for such services, the Company will pay NBC an annual fee of \$1.5 million (increasing no more than 5% annually) and issued NBC the Distribution Warrant. The exercise price of the Distribution Warrant is approximately \$8.29 per share and vested 200,000 shares immediately, with the remainder of the Distribution Warrant vesting 125,000 shares annually over the 10-year term of the Distribution Agreement. The Distribution Warrant is exercisable for five years after vesting. The value assigned to the Distribution and Marketing Agreement and Distribution Warrant of \$6,931,000 was determined pursuant to an independent appraisal and is being amortized on a

17

straight-line basis over the term of the agreement. Assuming certain performance criteria above the 10 million FTE homes are met, NBC will be entitled to additional warrants to acquire Common Stock at the then current market price. The Company has a right to terminate the Distribution Agreement after the twenty-fourth, thirty-sixth and forty-second month anniversary if NBC is unable to meet the performance targets. If terminated by the Company in such circumstance, the unvested portion of the Distribution Warrant will expire. In addition, the Company will be entitled to a \$2.5 million payment from NBC if the Company terminates the Distribution Agreement as a result of NBC's failure to meet the 24 month performance target.

NBC may terminate the Distribution Agreement if the Company enters into certain "significant affiliation" agreements or a transaction resulting in a "change of control."

Letter Agreement

The Company, GE Equity and NBC have also entered into a non-binding letter

of intent dated March 8, 1999 providing for certain cooperative business activities which the parties contemplate pursuing, including but not limited to, development of a private label credit card, development of electronic commerce and other internet strategies, development of programming concepts for the Company, and cross channel promotion.

SECTION 16(a) BENEFICIAL OWNERSHIP
REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), requires the Company's Directors and executive officers, and persons who own more than ten percent of the Common Stock, to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of Common Stock and other equity securities of the Company. Officers, Directors and greater than ten percent shareholders of the Company are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company during Fiscal 2000, all Section 16(a) filing requirements applicable to its officers, Directors and greater than ten percent shareholders were complied with except for the following. On May 12, 2000, Mark W. Begor, a Director, filed a Form 3 that was due November 10, 1999. On May 10, 2000, Marshall S. Geller, a Director, filed a Form 4 with respect to one transaction for which a report on Form 4 was due July 10, 1999, three transactions for which a report on Form 4 was due February 10, 2000, and one transaction for which a report on Form 4 was due March 10, 2000.

STOCK PERFORMANCE GRAPH

The line-graph set forth below compares the cumulative, five-year, total shareholder return to the Company's shareholders (based on appreciation of the market price of the Common Stock) on an indexed basis with (i) a broad equity market index and (ii) an appropriate published industry or line-of-business index, or peer group index constructed by the Company. The presentation compares the Common Stock price in the period from January 31, 1995 to January 31, 2000, to the Nasdaq National Market stock index and to a "peer group" index created by the Company over the same period. The "peer group" index consists of the common stock of: Damark International, Inc., Land's End, Inc., Hanover Direct, Inc., Lillian Vernon Corp., and E4L, Inc. (formerly known as National Media Corporation). Fingerhut Companies, Inc., which had been included in the "peer group" index in the Company's previous proxy statements, entered into a transaction in the last fiscal year which resulted in its stock no longer being publicly traded. Fingerhut is therefore no longer available for inclusion in the index. These corporations are involved in various aspects of the direct marketing to consumers industry. In each case, the cumulative return is calculated assuming an investment of \$100 on January 31, 1995, and reinvestment of all dividends.

PROPOSAL 2

PROPOSAL TO APPROVE AMENDMENT NO. 7
TO THE SECOND AMENDED VALUEVISION INTERNATIONAL, INC.
1990 STOCK OPTION PLAN
TO INCREASE THE NUMBER OF SHARES ISSUABLE
THEREUNDER FROM 3,250,000 TO 4,250,000

On June 5, 1990, the Company's shareholders and the Board of Directors unanimously approved the 1990 Plan. Prior to such date, the 1990 Plan had been subsequently amended from time to time to, among other things, increase the number of shares issuable thereunder. The aggregate number of shares of Common Stock that may be currently awarded under the 1990 Plan cannot exceed 3,250,000. Due to the Company's continued growth and expansion and its need to attract, retain and reward its key employees, the number of shares of Common Stock issuable pursuant to options granted under the 1990 Plan has substantially reached the 3,250,000 share limit. The Board of Directors believes that it is in the best interests of the Company and its shareholders to amend the 1990 Plan to increase the number of shares of Common Stock that may be issued thereunder to 4,250,000. The Board of Directors believes such increase will strengthen the Company's ability to attract, retain and motivate employees by providing a means to encourage share ownership and a proprietary interest in the Company to valued employees whose judgment, initiative and efforts are necessary to the continued financial success and growth of the Company's business. The proposed Amendment No. 7 and the complete text of the 1990 Plan (together with all prior amendments) are attached as Appendix B and Appendix C, respectively, to this Proxy Statement. The brief summary of the 1990 Plan which follows is qualified in its entirety by reference to the complete text. Capitalized terms used in this summary without definition shall have the meanings ascribed to them in the 1990 Plan.

GENERAL

The purpose of the 1990 Plan is to increase shareholder value and to advance the interests of the Company by furnishing a variety of economic incentives designed to attract, retain and motivate employees of the Company.

The 1990 Plan provides that a committee comprised of at least two "disinterested" members of the Board of Directors may grant stock options to employees. Currently, the 1990 Plan is administered by the Compensation Committee of the Board of Directors (the "Committee") comprised of Messrs. Begor, Geller and Tosetti. In general, a Director is "disinterested" if he or she has not received stock options under the 1990 Plan, or under another plan of the Company, for at least one year. Stock options may be granted only to key management employees of the Company (including officers, but excluding Directors) selected from time to time by the Committee. While all of the Company's key management employees (including officers and directors, but excluding directors of the Company who are not also full-time employees of the Company) are eligible to receive options under the 1990 Plan, only certain of these management employees named by the Committee received grants of options under the 1990 Plan in the past year.

Currently, the number of shares of Common Stock which may be issued under the 1990 Plan may not exceed 3,250,000, subject to adjustment in the event of a merger, recapitalization or other corporate restructuring. The amendment presently before the shareholders of the Company, if approved, will increase the number of shares of Common Stock issuable under the 1990 Plan to an aggregate of 4,250,000, subject to adjustment in the event of a merger, recapitalization or other corporate restructuring.

STOCK OPTIONS

Under the 1990 Plan, the Committee may grant non-qualified stock options and Incentive Stock Options to eligible employees to purchase shares of Common Stock from the Company. The 1990 Plan confers on the Committee discretion, with respect to any such stock option, to determine the number and purchase price of the shares of Common Stock subject to the option, the term of each option and the time or times during its term when the option becomes exercisable. The purchase price for Incentive Stock Options may not be less than the fair market

value of the shares subject to such option on the date of grant. The term of a non-qualified

20

option may not exceed 10 years and one day from the date of grant and the term of an Incentive Stock Option may not exceed 10 years from the date of grant. Any option granted under the 1990 Plan shall become immediately exercisable in the event of specified changes in corporate ownership or control.

In the event that an optionee ceases to be an employee of the Company for any reason, including death, any stock option or unexercised portion thereof which was otherwise exercisable on the date of termination of employment shall be exercisable or shall expire at the time or times established by the Committee.

NON-TRANSFERABILITY OF INCENTIVES

No stock option will be transferable by its holder, except in the event of the holder's death, by will or the laws of descent and distribution. During an employee's lifetime, a stock option may be exercised only by the employee or by his or her guardian or legal representative.

AMENDMENT OF THE 1990 PLAN

The Board of Directors may amend or discontinue the 1990 Plan at any time. However, subject to adjustment in the event of a merger, recapitalization, or other corporate restructuring, no such amendment or discontinuance may, without shareholder approval, (a) adversely affect, without the consent of the recipient thereof, a stock option previously granted, (b) increase the maximum number of shares of Common Stock which may be issued under the 1990 Plan, (c) decrease the minimum stock option price under the 1990 Plan, (d) materially change the eligibility requirements to participate in the 1990 Plan, or (e) materially increase the benefits accruing to participants.

FEDERAL INCOME TAX CONSEQUENCES

When a non-qualified stock option granted pursuant to the 1990 Plan is exercised, the employee will realize ordinary income measured by the difference between the aggregate purchase price of the shares of Common Stock as to which the option is exercised and the aggregate fair market value of the shares of Common Stock on the exercise date. The Company will be entitled to a deduction in the year the option is exercised equal to the amount the employee is required to treat as ordinary income.

Options that qualify as Incentive Stock Options are entitled to special tax treatment. If certain statutory employment and holding period conditions are satisfied before the optionee disposes of shares acquired pursuant to an Incentive Stock Option, then (i) no income will be recognized to the optionee upon the exercise of the option; (ii) any gain or loss will be recognized to the optionee only upon ultimate disposition of the shares and, assuming the shares constitute capital assets in the optionee's hands, will be treated as long-term capital gain or loss; (iii) the optionee's basis in the shares of Common Stock purchased will be equal to the amount paid for such shares; and (iv) the Company will not be entitled to a Federal income tax deduction in connection with the exercise of the option. For alternative minimum tax purposes, however, an Incentive Stock Option will be treated as if it were a non-qualified stock option.

If the optionee disposes of the shares of Common Stock acquired upon exercise of an Incentive Stock Option before the expiration of the statutory holding periods, the optionee must treat as ordinary income in the year of that disposition an amount equal to the difference between the optionee's basis in such shares and the lesser of the fair market value of the shares on the date of exercise or the selling price. In addition, the Company will be entitled to a deduction equal to the amount the employee is required to treat as ordinary income.

THE BOARD OF DIRECTORS BELIEVES PROPOSAL 2
TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS
AND RECOMMENDS A VOTE "FOR" APPROVAL OF PROPOSAL 2.

PROPOSAL 3

PROPOSAL TO RATIFY THE APPOINTMENT OF ARTHUR ANDERSEN LLP AS
INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING
JANUARY 31, 2001

The Board of Directors has appointed Arthur Andersen LLP as independent auditors of the Company for the fiscal year ending January 31, 2001, it being intended that such appointment would be presented for ratification by the shareholders of the Company. Arthur Andersen LLP has been the independent accountant for the Company since 1990. Arthur Andersen LLP will have representatives at the Meeting who will have an opportunity to make a statement

if they desire to do so and will be available to respond to appropriate questions.

In the event the shareholders of the Company do not ratify the appointment of Arthur Andersen LLP, the selection of other independent auditors will be considered by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF ARTHUR ANDERSEN LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING JANUARY 31, 2001.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors knows of no matters that will be presented for consideration at the Meeting other than as described in this Proxy Statement. If any other matters shall properly come before the Meeting or any adjournments or postponements thereof and be voted upon, the enclosed proxy will be deemed to confer discretionary authority on the individuals named as proxies therein to vote the shares represented by such proxies as to any such matters. The persons named as proxies intend to vote or not to vote in accordance with the recommendation of the management of the Company.

SUBMISSION OF SHAREHOLDER PROPOSALS

All shareholder proposals intended to be presented at the 2001 annual meeting of the Company and desired to be included in the Company's proxy statement and form of proxy for that meeting must be received by the Company at its principal executive office no later than January 19, 2001. If notice of any other shareholder proposal intended to be presented at that meeting is not received by the Company on or before April 4, 2001, the proxy solicited by the Board of Directors of the Company for use in connection with that meeting may confer authority on the proxies named in such proxy to vote in their discretion on such proposal without any discussion in the Company's proxy statement for that meeting of either the proposal or how such proxies intend to exercise their voting discretion. The Company suggests that all such proposals be sent to the Company by certified mail, return receipt requested.

With the exception of the foregoing, the Plan remains in full force and

effect.

(ii) at the discretion and by appointment of the Board of Directors of the Company, by a committee of three or more persons (the "Committee"). Each of such appointees shall be "disinterested persons" as defined in Subparagraph 2(a)(i) herein and shall serve at the pleasure of the Board. All action of the Committee shall be taken by a majority of its members, and shall be effective whether taken in person or by written action. The committee may appoint a secretary, shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

(b) The Plan Administrator shall have full and complete authority in its discretion, but subject to the provisions of the Plan: to authorize the grant of options under the Plan; to select those Employees to be granted stock options under the Plan; to determine the number of stock options to be granted to an Employee; to determine the time or times at which such options shall be granted; to establish the terms and conditions to be contained in option agreements under the Plan; to remove any restrictions and conditions upon such stock options; and to adopt such rules and regulations and to make all other determinations deemed necessary or desirable for administration of the Plan.

3. ELIGIBILITY AND PARTICIPATION

The class of employees eligible to receive stock options under the Plan are key management employees (including officers and directors, but excluding directors of the Company who are not also full-time employees of the Company) who shall be selected by the Plan Administrator from those employees who, in the opinion of the Plan Administrator, are in positions which enable them to make significant and extraordinary contributions to the performance and growth of the Company and its subsidiaries.

4. STOCK OPTIONS

Stock options to purchase full shares of the Class A Common Stock, par value \$.01 per share ("Class A Common Stock"), of the Company may at the discretion of the Plan Administrator be Incentive Stock Options (as defined in Section 422A of the Code) or Non-Incentive Stock Options are sometimes hereinafter collectively referred to as "stock options" or "options".

5. DETERMINATION OF OPTION PRICE

The option price of Class A Common Stock covered by each stock option designated an Incentive Stock Option shall be determined by the Plan Administrator but shall not be less than the fair market value of

C-1

Class A Common Stock on the date of grant of such stock option. Such fair market value shall be the average of the high bid and low asked prices in the over-the-counter market, as reported by NASDAQ or such other system then in use on the date of grant of the stock option. The option price of Class A Common Stock covered by each option designated a Non-Incentive Stock Option shall be determined by the Plan Administrator on the date of grant of the stock option.

6. OPTION TERM

The term within which each stock option is exercisable shall be for such period as the Plan Administrator may determine, but such term shall not exceed a period of ten years in the case of Incentive Stock Options and ten years and one day in the case of Non-Incentive Stock Options from the date of grant of an option.

7. OPTION AGREEMENTS

Each stock option shall be evidenced by an option agreement containing such terms and conditions, consistent with the provisions of the Plan, as the Plan Administrator shall from time to time determine. Such terms and conditions, at the discretion of the Plan Administrator, may include, without limitation, provisions with respect to the time or times at which the stock option is exercisable, the effect of termination of employment upon right of exercise, the manner of exercise of such stock option, the payment for Class A Common Stock either with other shares of Class A Common Stock or with cash or with both, and payment of income tax withholding requirements in connection with the exercise of a Non-Incentive Stock Option by the Company withholding or an Employee delivering shares of Class A Common Stock.

8. DATE OF GRANT

The date of grant of a stock option shall occur when the granting of the stock option is authorized by the Plan Administrator, or such later date as may be specified by the Plan Administrator in such authorization.

9. INCENTIVE STOCK OPTIONS

Notwithstanding anything in the Plan to the contrary, the following additional provisions shall apply to the grant of stock options which are intended to qualify as Incentive Stock Options:

(a) The aggregate fair market value (determined as of the time the option is granted) of Class A Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an employee during any calendar year (under all plans of the Company or of its parent or any subsidiary of the Company) shall not exceed \$100,000;

(b) All Incentive Stock Options must be granted within ten years from the earlier of the date on which this Plan was adopted by the Board of Directors or the date this Plan was approved by the shareholders; and

(c) No Incentive Stock Options shall be granted to any Employee who, at the time such option is granted, would own (within the meaning of Section 422A of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of its parent or any subsidiary.

10. ADJUSTMENTS

In the event of any merger, consolidation or reorganization of the Company with any other corporation or corporations, there shall be substituted for each of the shares of Class A Common Stock then subject to the Plan, the number and kind of shares of stock or other securities to which the holders of the shares of Class A Common Stock will be entitled pursuant to the transaction. In the event of any recapitalization, stock dividend, stock split, combination of shares or other change in the Class A Common Stock, the number of shares of Class A Common Stock then subject to the Plan, including shares subject to options, shall be adjusted in proportion to the change in outstanding shares of Class A Common Stock. In the event of any such adjustments, the purchase price of any option and the shares of Class A Common Stock issuable pursuant to

C-2

any option shall be adjusted as and to the extent appropriate, in the discretion of the Plan Administrator, to provide participants with the same relative rights before and after such adjustment.

11. EFFECT OF TERMINATION OF EMPLOYMENT

In the event an employee ceases employment with the Company for any reason, including death, any options held by such Employee may be exercised or shall expire at such times as may be determined by the Plan Administrator.

12. TRANSFERABILITY OF OPTIONS

Options under the Plan shall not be assignable or transferable, or subject to encumbrance or charge of any nature, otherwise than by will or the laws of descent and distribution, and the Company shall not be required to recognize any attempted assignment of such rights by an Employee. A stock option may be exercised, during the lifetime of the Employee to whom such stock option was granted, only by such Employee.

13. AMENDMENT AND TERMINATION

The Board of Directors of the Company may at any time and from time to time amend, suspend or terminate the Plan in whole or in part; provided, however, that the Board of Directors may not, without the favorable vote of a majority of the shares of voting stock represented at a meeting of shareholders of the Company, (a) increase the aggregate number of shares of Class A Common Stock which may be issued under the Plan, or decrease the minimum stock option price set forth in Paragraph 5 hereof, or change the designation of the class of employees eligible to receive Incentive Stock Options under the plan, unless otherwise permitted by the Code or (b) materially increase the benefits accruing to participants under the Plan or materially modify the requirements as to eligibility for participation in the Plan. No such amendment, suspension or termination may, without the consent of the Employee to whom an option shall theretofore have been granted, adversely affect the rights of such Employee under such option.

14. COMMON STOCK RESERVED FOR PLAN

The aggregate number of shares of Class A Common Stock which may be issued under options and which shall be reserved for purposes of the Plan shall be 300,000. Authorized but unissued shares or treasury shares or both may be utilized for purposes of the Plan. If any stock option shall expire or terminate for any reason without having been exercised in full, the unpurchased shares under such option shall again become available for purposes of the Plan.

15. USE OF COMMON STOCK FOR INCOME TAX WITHHOLDING REQUIREMENTS

(a) The Company shall have the right to withhold from any payments made under the Plan or to collect as a condition of payment, any taxes required by law to be withheld. At any time when an Employee is required to pay to the Company an amount required to be withheld under applicable income tax laws in connection with the exercise of a stock option, the Employee may satisfy this obligation in whole or in part by electing (the "Election") to have the Company withhold from the distribution shares of Class A Common Stock having a value up to the amount required to be withheld. The value of the shares to be withheld shall be based on the fair market value of the Class A Common Stock (as determined in Paragraph 5 herein) on the date that the amount of tax to be withheld shall be determined (herein "Tax Date").

(b) Each Election must be made prior to the Tax Date. The Plan Administrator may disapprove of any Election, may suspend or terminate the right to make Elections, or may provide with respect to any option that the right to make Elections shall not apply to such option. An Election is irrevocable.

C-3

(c) If the Employee is an officer or director of the Company within the meaning of Section 16 of the Act, then an Election is subject to the following additional restrictions:

(1) No election shall be effective for a Tax Date which occurs within six months of the grant of the option, except that this limitation shall not apply in the event death or disability of the Employee occurs prior to the expiration of the six-month period.

(2) The Election must be made either six months prior to the Tax Date or must be made during a period beginning on the third business day following the date of release for publication of the Company's quarterly or annual summary statements of sales and earnings and ending on the twelfth business day following such date.

16. SECURITIES LAWS

Notwithstanding anything in this Plan to the contrary:

(a) the Company may, if it shall determine it necessary or desirable for any reason, at the time of grant of any option or the issuance of any shares of Class A Common Stock pursuant to any option, require the recipient of the option, as a condition to the receipt thereof or to the receipt of shares of Class A Common Stock issued pursuant thereto, to deliver to the Company a written representation of present intention to acquire the option or the shares of Class A Common Stock issued pursuant thereto for such recipient's own account for investment and not for distribution; and (b) if at any time the Company further determines, in its discretion, that the listing, registration or qualification (or any updating of any such document) of any option or the shares of class a common stock issuable pursuant thereto is necessary on any securities exchange or under any federal or state securities or blue sky law, or that the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with the grant of any option, the issuance of shares of Class A Common Stock pursuant thereto, or the removal of any restrictions imposed on such shares, such option shall not be awarded or such shares of Class A Common Stock shall not be issued or such restrictions shall not be removed, as the case may be, in whole or in part, unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company.

17. MISCELLANEOUS PROVISIONS

(a) Nothing in the Plan or in any stock option granted pursuant to the Plan shall confer on any Employee the right to continue in the employ of the Company or any of its subsidiaries or affect in any way the right of the Company or any such subsidiary to terminate such Employee's employment at any time.

(b) The grant of stock options under the Plan shall not confer upon any Employee any of the rights of a shareholder until due exercise of the Employee's stock option.

18. DURATION OF PLAN

(a) The Plan will become effective upon its approval by the affirmative vote of the holders of a majority of the voting stock of the Company at a meeting of its shareholders. Unless approved within one year after the date of the Plan's adoption by the Board of Directors, the Plan shall not be effective for any purpose.

(b) The Plan shall remain in effect until all options granted under the Plan have been satisfied by the issuance of shares of Class A Common Stock or terminated under the terms of the Plan and all restrictions imposed on shares of Class A Common Stock in connection with their issuance under the Plan have lapsed. No options may be granted under the Plan after the tenth anniversary of the date the plan is approved by the shareholders of the Company.

(c) Nothing contained in the Plan shall be construed as giving an Employee, the Employee's beneficiaries or any other person any equity or interests of any kind in the assets of the Company or creating a trust of any kind or a fiduciary relationship of any kind between the Company and any such person.

C-4

19. IMMEDIATE ACCELERATION OF OPTIONS UPON CHANGE IN CONTROL

Notwithstanding any provision in the Plan, any option agreement, or any other agreement relating thereto to the contrary, all options granted under the Plan will become exercisable immediately if any of the following events occur, unless otherwise determined by the Board of Directors and a majority of the Incumbent Members (as defined below) or unless and to the extent that the exercise of the option would result in the application of the provisions of Section 280G of the Internal Revenue Code of 1986, as amended:

(a) Any person, as defined in Sections 3(a)(9) and 13(d)(3) of the Act, becomes the "beneficial owner" (as defined in rule 13d-3 promulgated pursuant to the Act) directly or indirectly, of 30% or more of combined voting power of the Company's then outstanding securities; or

(b) The occurrence within any twelve-month period of a change in the Board of Directors of the Company with the result that the Incumbent Members (as defined below) do not constitute a majority of the Board of Directors. "Incumbent Members" in respect of any twelve-month period, shall mean the members of the Board on the date immediately preceding the commencement of such twelve-month period, provided that any person becoming a Director during such twelve-month period whose election or nomination for election was supported by a majority of the Directors who, on the date of such election or nomination for election, comprised the Incumbent Members shall be considered one of the Incumbent Members in respect to such twelve-month period; or

(c) the shareholders of the Company approve an agreement to merge or consolidate with or into another corporation or an agreement to sell or otherwise dispose of all or substantially all of the Company's assets (including a plan of liquidation).
